

Make Your Own Decorative Anniversary Bunting

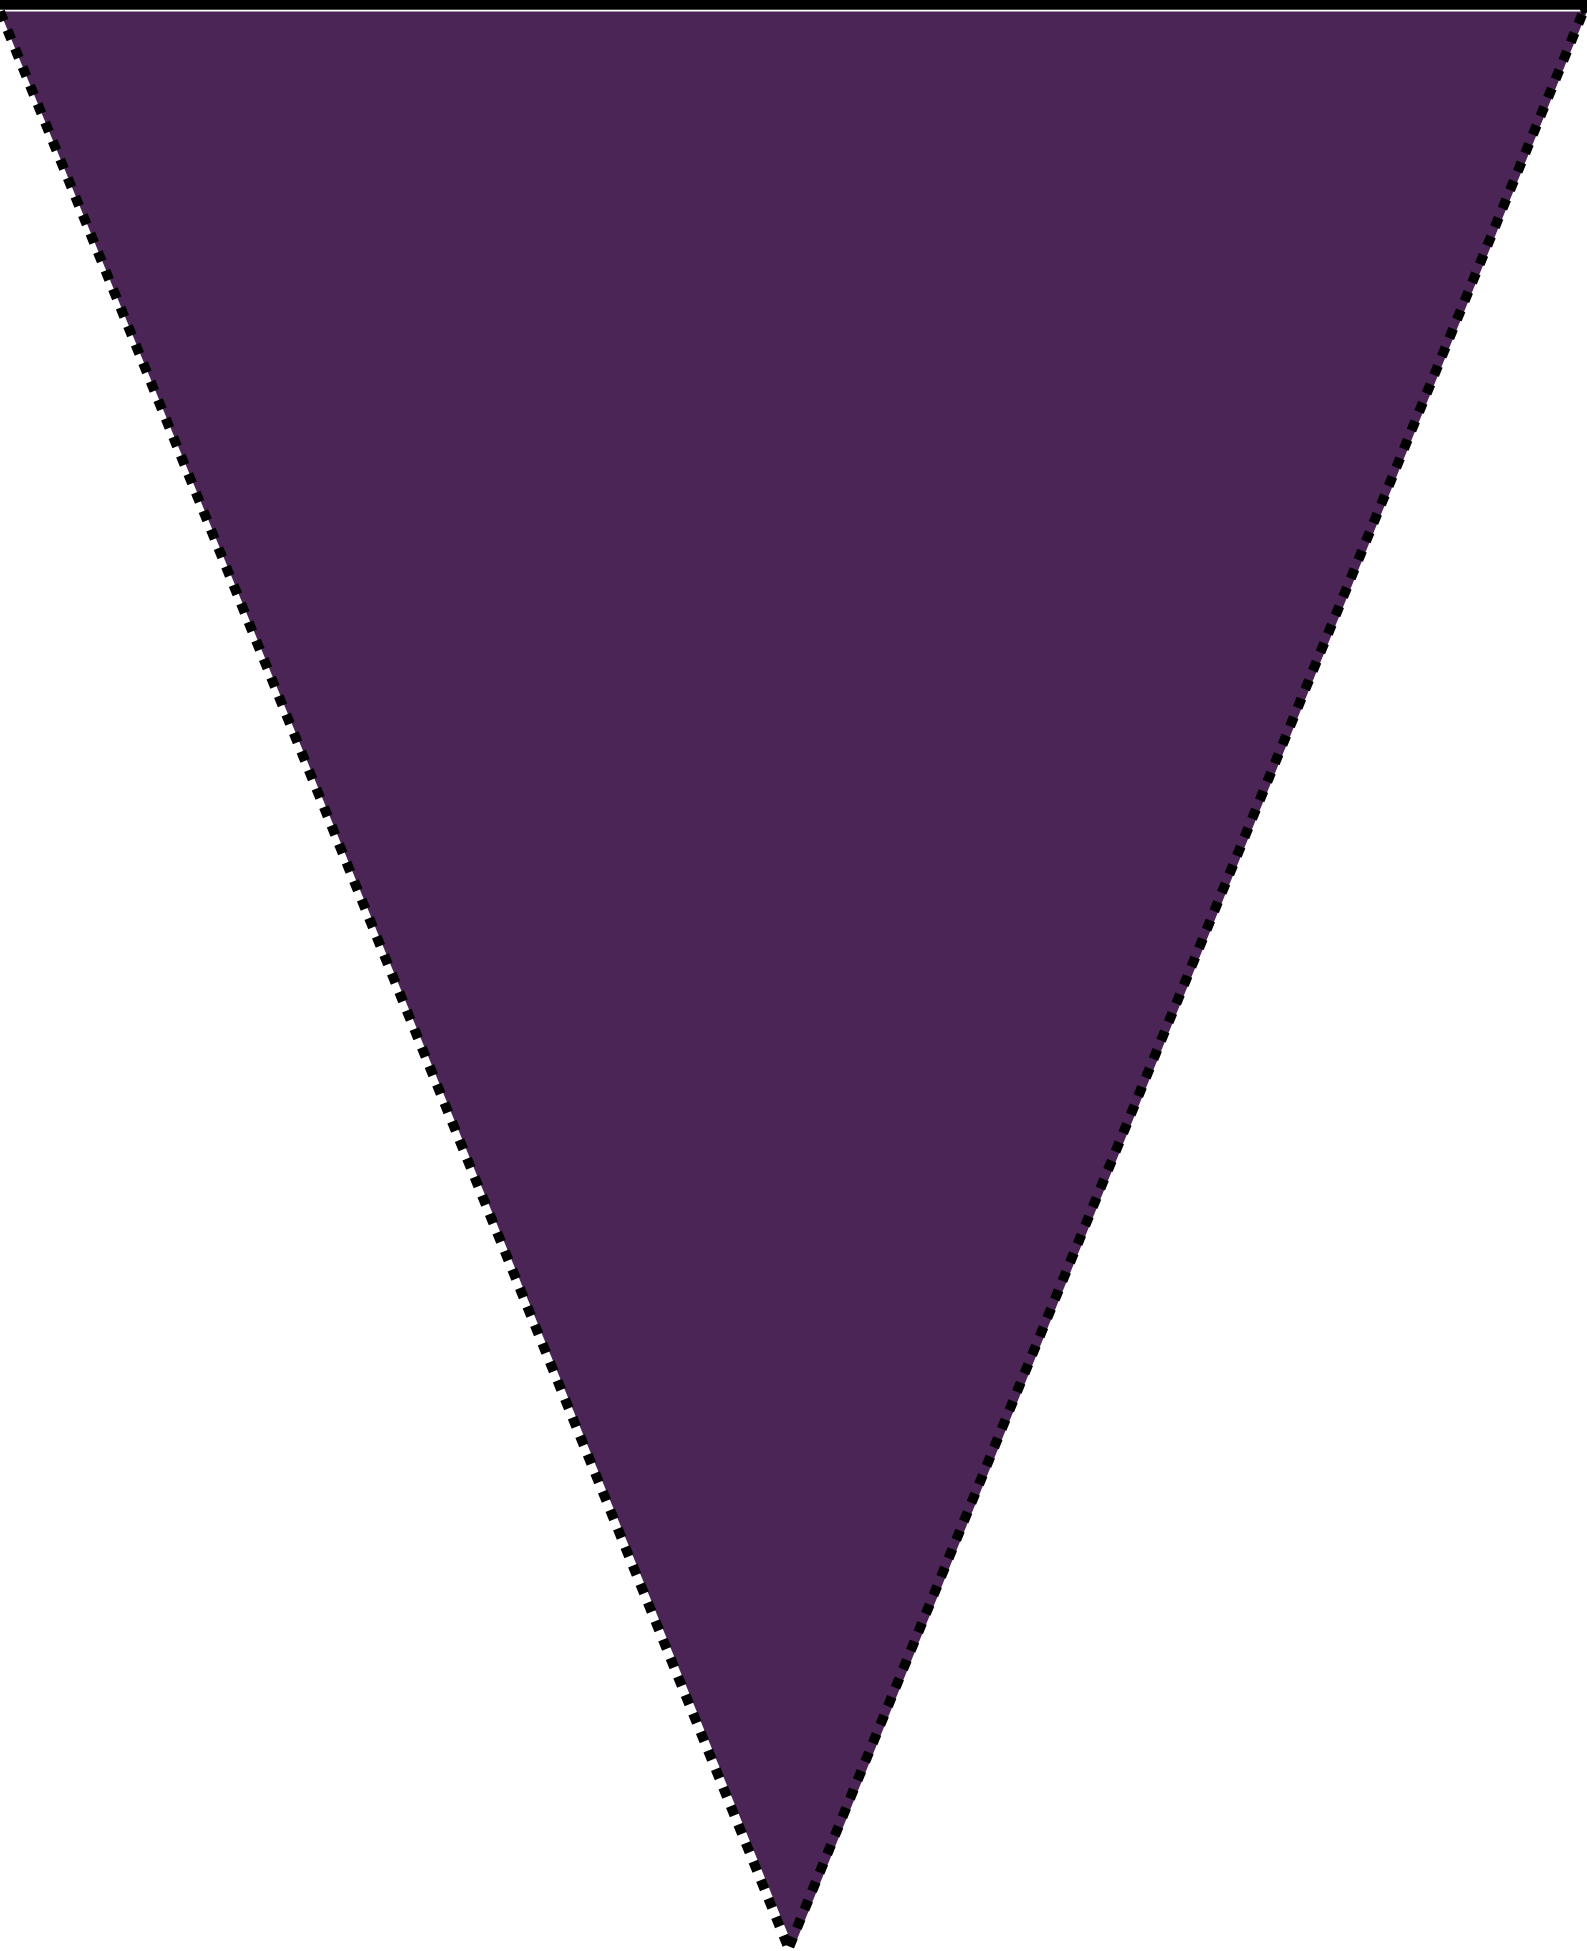

You will need:

- A printer
- Scissors
- Glue, tape or staples
- Ribbon or string

How to make your TwinsUK bunting:

1. Print off as many copies of the bunting designs in this document as you need to create your bunting - you can either mix and match between designs or
2. Cut out the bunting along the dotted lines
3. Fold along the solid black line to create a flap
4. Put the flap over your string or ribbon and glue, staple or tape the flap in place
5. Leave a gap between each triangle and keep adding them until you're done and leave a spare bit of string/ribbon on each end for hanging
6. Hang your bunting up for everyone to see!
